The CHECK MAIL DATE is scheduled for the above dates, however, there are many steps in the process that can cause delays. Our goal is to make sure your check is mailed to you prior to the first of the following month so your rent can be paid timely.

The DOCUMENTS DUE NO LATER THAN DATE, is non-negotiable. If we don't have documentation for your current term, or you are new to the program, and you miss the deadline in the "Documents Due No Later Than" column, your check will not be available until the next "Check Mail Date".
